PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 C.F.R. 1.181(a)

In response to the Notice of Abandonment mailed September 1, 2004, for which the two month time period to respond extends to November 1, 2004, Applicant requests reconsideration and withdrawal of the Notice of Abandonment.

The holding of abandonment is based on an allegation that Applicant failed to properly reply to an Office letter mailed on April 23, 2004. A reply including drawings was received on May 26, 2004, but it did not constitute a proper reply because Figure 6, although cited in the Brief Description of the Drawings, was not included in the reply. Applicant respectfully disagrees with this allegation.

Applicant responded to the Notice of Drawing Inconsistency with Specification, mailed April 23, 2004. Five (5) sheets of formal drawings

depicting Figures 1-6 and a postcard accompanied the Response to the Notice of Drawing Inconsistency with Specification. The Response included and executed certificate of mailing dated May 21, 2004. The postcard was date stamped May 26, 2004, by the Office of Initial Patent Examination at the U.S. Patent and Trademark Office and returned to Applicant. As such, Applicant submits that the requirement detailed in the Notice of Drawing Inconsistency with Specification was satisfied when the Response to the Notice of Drawing Inconsistency with Specification and the 5 sheets of formal drawings depicting Figures 1-6 were deposited with the U.S. Postal Service on May 21, 2004, which was within the one (1) month time period to reply as set in the Notice of Drawing Inconsistency with Specification.

Applicant is including with this petition copies of the following items:

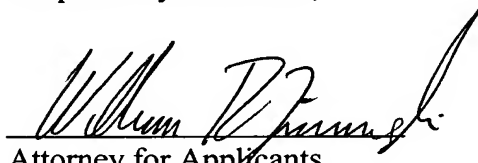

1. The Notice of Drawing Inconsistency with Specification, mailed April 23, 2004 (2 pages);
2. The Response to the Notice of Drawing Inconsistency with Specification and the 5 sheets of formal drawings depicting Figures 1-6 having an executed Certificate of Mailing dated May 21, 2004 (6 pages);
3. A copy of the postcard included with the Response to the Notice of Drawing Inconsistency with Specification (1 page); and
4. A copy of the postcard included with the Letter to the Official Draftsperson date stamped May 26, 2004, and returned by the Office (1 page).

As Figure 6 was timely filed as required by, and within the 1 month period set in, the Notice of Drawing Inconsistency with Specification, Applicant respectfully requests that the holding of abandonment be withdrawn.

Although, the undersigned does not believe that a Petition to Revive is required in this situation, it is requested that this letter be considered as a Petition to Revive, in the event the Petition to Withdraw Holding of Abandonment is denied.

In this respect, Applicant submits that the entire delay in filing the required reply from the due date for the reply until the filing of a petition was unintentional. The Commissioner is authorized to charge any fees associated with this Petition to deposit account number 05-0225 (a duplicate copy of this letter is enclosed). Applicant also requests that the Response to the Notice of Drawing Inconsistency with Specification and the 5 sheets of formal drawings depicting Figures 1-6 attached to this petition be used as the reply required in response to the Notice of Abandonment.

Respectfully submitted,
